

EXHIBIT B - EUT EXTERNAL PHOTOGRAPHS

EUT – Top View

EUT – Bottom View

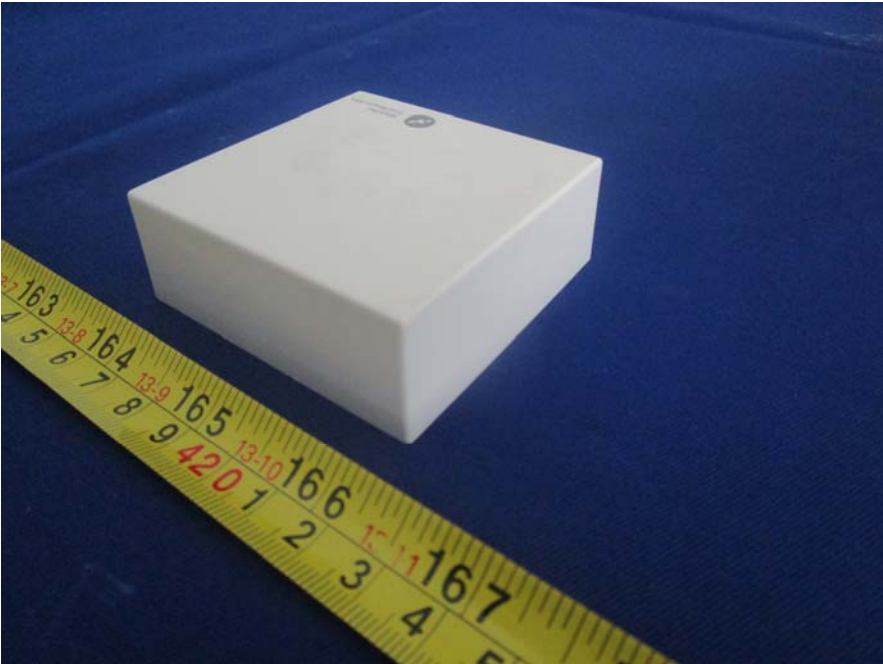

EUT – Side View

A side view of a white rectangular box resting on a blue surface. A yellow measuring tape is placed horizontally next to the box, showing measurements in inches and centimeters. The box has a QR code and some text on its side, including "SENSECAP" and "13-10 166".

EUT – Side View

A side view of the same white rectangular box, showing a different side. The yellow measuring tape is again placed next to it, showing measurements in inches and centimeters. The box has a small circular logo on its side.

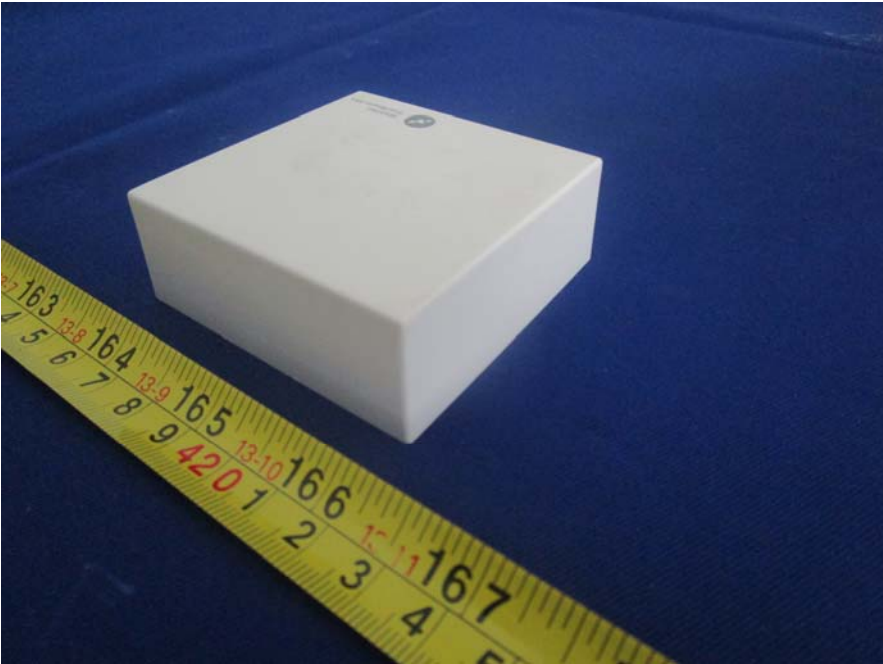

EUT – Side View

A side view of a white rectangular box resting on a blue surface. A yellow measuring tape is placed horizontally next to the box, showing measurements in inches and centimeters. The box has a QR code and some text on its side, including "SENSECAP" and "13-10 166".

EUT – Side View

A side view of the same white rectangular box, showing a different side. The yellow measuring tape is again placed next to it for scale. The box appears to be a standard electronic unit, possibly a sensor or a small computer component.
